

NCLB Evaluation Matrix

Objective(s):

- Develop community-based strategies for reducing crime in the 4 identified neighbourhoods.
- Integrate social, health, and community services at local neighbourhood level in the 4 neighbourhoods.
- Mobilize the community to work with service providers to address priority safety, security and social development issues.
- Provide training to other groups, organizations and communities to assist with like endeavours.
- Disseminate broadly lessons learned.

Outcomes	Indicators	Sources/Methods		
<p>What will happen as a result of the project?</p> <p>(e.g., reduction in bullying, improved school performance by youth, etc.)</p>	<p>How will we know that the project is achieving its objectives and outcomes?</p> <p>(e.g., initial increase in the number of reported incidents, followed by a corresponding reduction in number of bullying incidents, higher grades for at-risk students, etc.)</p>	<p>What proposed source/method will be used to gather the information?</p>		
		<p>Source of information</p> <p>(e.g., children, parents, teachers, etc.)</p>	<p>Tools / instruments</p> <p>(e.g., log book, questionnaire, voice recorder, school records)</p>	<p>Frequency of collection</p> <p>(e.g., start and end of project, every week, every month, six months after project)</p>
<p>Involvement of the community in collaborative effort to fight crime in their communities.</p> <p>Increased and sustained community involvement.</p>	<ol style="list-style-type: none"> 1. Number of community leaders involved. 2. Number of initiatives proposed, planned and undertaken by the community. 3. Participation in weekly and monthly meetings. 	<p>Source: Attendance log Book. Tenants Association Record</p> <p>Tools: Attendance sheets</p>		<p>Frequency: bi-monthly</p>
<p>Reduction in crime rate.</p> <p>Reduced feeling of insecurity in the community.</p> <p>Improved quality of community life</p>	<ol style="list-style-type: none"> 1. Statistics from Ottawa Police Services. 2. Community feedback re working relationships with police services. 3. Community reports re perceived quality of life. 	<p>Source: Ottawa Police Services, Community's feedback.</p> <p>Tools: Ottawa Police Services reports, Evaluation forms, Verbal feedback</p>		<p>Frequency: semi-annually</p>
<p>Continuum of crime prevention strategies in place.</p>	<ol style="list-style-type: none"> 1. Number and frequency of community members contact with the police officers; 2. Number of criminal activities identified and addressed; 	<p>Source: Ottawa Police Services record and feedback; number of community and police meetings; # of</p>		<p>Frequency: Annually</p>

	<ol style="list-style-type: none"> 3. Number of community policing/social development initiatives implemented. 4. Number of information-sharing encounters with the community; 5. Integration of the community policing initiatives in the target communities. 	<p>Neighbourhood Watch participants.</p> <p>Tools: Police Stats and evaluation forms for partner police officers feedback. Meeting records.</p>	
<p>Youth involved in positive and skill building activities.</p> <p>Community residents recognize positive contribution of youth to community life.</p>	<ol style="list-style-type: none"> 1. Activities planned and implemented by the community; 2. Participation in after school, sports, groups, homework and other activities. 	<p>Source: Community residents, partner organizations, youth.</p> <p>Tools: meeting and activity reports, participant feedback.</p>	<p>Frequency: semi-annually</p>
<p>Partners collaborate effectively and work in an integrated manner to deliver social, health and other community services.</p> <p>Community feels safe and secure.</p>	<ol style="list-style-type: none"> 1. Number of partner agencies and organization integrating services; 2. Reduction in the number of criminal activities; 3. Restoration Committee is functional (meets, plans, implements and evaluates its activities); 4. Number of workshops offered; 5.
